

# Dispatch Operator

## Be A Dispatch Operator

As a Dispatcher you would be responsible for receiving and transmitting messages, tracking vehicles and equipment, and communicating with staff and customers.

Employers that typically hire Dispatchers to relay information and coordinate operations include: emergency services, couriers, taxicab providers, trucking companies, railroads and public utility companies.

A good Dispatcher must have good customer service skills, communication skills, intermediate computer skills, note taking skills, be highly organized, and friendly.

This program includes a four-week co-op placement. Financial Aid, including monthly payment plans are available.
