

# Security Guard

## Start a Career in Security

Security is a quickly growing industry in Canada. This is a multi-dimensional industry with jobs in a variety of settings.

Licensed security professionals are needed in banking, public and private properties, educational institutions, investigations, manufacturing, retail loss prevention, security equipment sales, transportation, concierge desks, and more.

Our 25-week program includes the basic licensing and adds business communication, customer service and report writing skills. This program is ideal for those wishing to quickly advance in the security industry.

Our 40-hour program includes MCSCS test preparation.

Both programs meet the MCSCS minimum requirements to work as a licensed security guard in Ontario.

The 25-week program includes a four-week co-op placement, Financial Aid, and monthly payment plans.
